LED warning lights

Practical all-rounder

Torch, work light and warning light in one product

Equipped with 12+1 high-quality, long-lasting LEDs

Strong warning light with 12 yellow flashing LEDs in the handle for warning and alarm signals

Seat belt cutter

To cut the seat belt in case of emergency

Emergency hammer

To smash the windscreen in case of emergency

Prepared for any emergency situation

LEDguardian SAVER LIGHT PLUS provides a reliable light during your travels, when camping and for inspection and maintenance work on your car. This multifunctional torch has a powerful LED light and non-slip, dirt-resistant surface. Thanks to the holder or three magnets included in the package, the light can be easily attached wherever you need it in the car or on the roof. Due its twelve yellow flashing LED lights the torch can be transformed into a reliable warning light in dangerous situations. In addition to this, this practical all-rounder offers reliable help as an emergency hammer to smash the windscreen and as a seat belt cutter. OSRAM provides a 2 year guarantee for this product. Legal advice: LEDguardian SAVER LIGHT PLUS is not approved as warning light according to German Road Traffic Licencing Regulations (StVZO).
