OSRAM

LEDinspect UTILITY1000

Inspectionlights

Multi-Functional Lamp

High flexibility and diverse adjustment possibilities. Up to 180° ratcheting bases and up to 360° rotating body.

1000 lm

2 light functions: Up to 1000lm-high Up to 400lmlow For individually adjustable light settings

Magnetic Base & Rotatable Hook

Versatile mounting options

2-year-OSRAM guarantee*

Systematic quality assurance measures underpin the premium workmanship and functionality of our products. Innovative technology and excellent quality really pay dividends for our customers.

Product family datasheet

Light is versatile

Designed with versatility in mind, the UTILITY 1000 combines magnetic, 180° ratcheting base with a 360° rotating body. This means the inspectionlight can be used either freestanding or hands-free, positioned in any number of ways to ensure the work area is properly illuminated. With two light functions - high with up to 1000lm and low with up to 400lm - it produces a light output that can be matched to the task at hand. This inspection light is ideal as a light for manual work, car repairs and everyday use. OSRAM also provides a 2-year guarantee on this product* Charging cable and mains charger included.
