

# LEDinspect WIRE-FREE PRO 600

### Wire-Free charging compatible

Simply place on the Wire-Free charging pad to securely hold and recharge

### 600 Lumens

Place bright, 5700k white light where you need it most

### Built to last

IK08 and IP54 rated to survive the rigors of the professional workshop

### The easiest way to recharge inspection lights

Inspection lights are a vital part of any professional's toolbox. Removing the need to find and plug into the correct charging cable, OSRAM's wire-free inspection lights recharge without hassle by simply being placed on the magnetic charging pad. This innovative design not only enhances convenience but also supports an uninterrupted workflow.

### Technical data

| Product description | Product information                         | General Product Information | Electrical Data |                 |
|---------------------|---|-----------------------------|-----------------|-----------------|
|                     | Application (Category and Product specific) | Global order reference      | Nominal voltage | Nominal wattage |
| INSPECTION LAMP     | LED inspection lights                       | LEDIL421                    | 3.7 V           | 5 W             |

| Product description | Photometric Data |                       |                   | Physical Attributes & Dimensions |
|---------------------|------------------|-----------------------|-------------------|----------------------------------|
|                     | Light color LED  | Nominal luminous flux | Color temperature | Height                           |
| INSPECTION LAMP     | White            | 600 lm                | 5700 K            | 45.0 mm                          |

| Product description | Width   | Length   | Product weight | Lifetime Data |
|---------------------|---------|----------|----------------|---------------|
|                     |         |          |                | Guarantee     |
| INSPECTION LAMP     | 55.0 mm | 205.0 mm | 300.00 g       | 2 years       |

| Product description | Capabilities | Logistical data       | Environmental & Regulatory Information according Art. 33 of EU Regulation (EC) 1907/2006 (REACH) |                            |
|---------------------|--------------|-----------------------|--|----------------------------|
|                     | Technology   | Watt hour per battery | Date of declaration  | Candidate list substance 1 |
| INSPECTION LAMP     | LED          | 9.62                  | 27-08-2024   | Lead                       |

| Product description | CAS No. of substance 1 | Safe use instruction   | Declaration no. in SCIP database     |
|---------------------|------------------------|--|--------------------------------------|
| INSPECTION LAMP     | 7439-92-1              | The identification of the Candidate List substance is sufficient to allow safe use of the article. | 26c8b24d-65fc-44be-938d-14097cb7f78a |
